paradise .H.S School, Segoan

10 (Marks of 73%)

Apr 2017 - May 2018

Madhya Pradesh, India

Technical Skills

• ReactJS • Node.js/Express.js • MongoDB • SQL • OOPS • C/C++

Experience & Training

Web Developer Intern, 4Tuners Technologies

Aug 2024– Oct 2024

Undertook a 3-month internship as an Web Developer Intern, applying academic knowledge to real-world challenges in Web development. Developed and maintained multiple websites, including the official 4tunersTechnologies website, using React.js, HTML, CSS, and JavaScript, contributing to key projects within the company.

Projects

4Tuners Technologies Website | React.js, CSS.

Successfully developed and launched the 4TunersTech.com website utilizing React.js and CSS. Prioritized responsive design to ensure an optimal user experience across all devices. Focused on performance optimization while maintaining a consistent and visually appealing design throughout.

Real Time Pizza Order Tracker | Node.js, Express.js, Mongo DB, Html, CSS.

Developed intuitive and responsive UI components with React.js, ensuring a seamless and visually appealing experience for both desktop and mobile users. Designed and implemented RESTful APIs using Node.js and Express.js to manage operations such as order placement, tracking, and user account management. Integrated robust user authentication and authorization mechanisms to ensure secure access to features like order history and profile management.

Restaurant-Website | React MUI, Node.js.

Utilized Material-UI (MUI) to design and style responsive, modern UI components that align with the restaurant's branding. Integrated React components with the Node.js backend using Axios or Fetch API to dynamically retrieve and display content such as menu items, reviews, and reservation confirmations. Implemented server-side validation to ensure data integrity and prevent incorrect submissions.

Certifications/Achievements

- [C/C++ Certificate](#)
- [Certified in MERN Stack](#)

Extara Curriculars, Hobbies & Additional Information

- Inter college Hackathon (Botathon) Runner up
- Hobbies – Cooking, Travelling.
- Languages – English, Hindi (Native).
